plurality of members. Als, claims 32, 34 and 36 provide that the outputted/accessed information includes scheduled meeting information and/or assignment information associated with at least two members of the plurality of members. Support for these added recitations is provided at FIG. 4 of the drawings and page 5, lines 3 through 8, of the specification. Accordingly, allowance of claims 31 through 36 is believed warranted.

### CONCLUSION

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. Also, no amendment made was for the purpose of narrowing the scope of any claim, unless Applicants have argued herein that such amendment was made to distinguish over a particular reference or combination of references.

The Commissioner is hereby authorized to deduct any additional fees arising as a result of this response, including any fees for Extensions of Time, or any other communication from or to credit any overpayments to Deposit Account No. 50-2117.

It is submitted that the claims clearly define the invention, are supported by the specification and drawings, and are in a condition for allowance. Applicants respectfully request that a timely Notice of Allowance be issued in this case. Should the Examiner have any
